Extension of medical relief to rural areas

READ—the following paper :—

G.O. No. 68, Medical, dated 14th February 1917.

ABSTRACT.—Commending to all district boards for consideration and report a scheme for the extension of medical relief to rural areas by duplicating the staff of medical officers in hospitals or dispensaries.

Order—No. 351, Medical, dated 5th July 1919.

In G.O. No. 68, Medical, dated 14th February 1917, the Government commended to the consideration of district boards a scheme for duplicating the staff of medical officers in a certain number of existing hospitals and dispensaries with a view to enable the medical officers employed in these institutions to tour alternately for a period of fifteen days in the month through villages within a definite radius and the Government agreed to bear from Provincial funds one-half of the cost of carrying out the scheme in institutions selected for the purpose. Most of the district boards have not however been able to give the scheme a trial in their districts mainly on account of their inability to meet their share of the cost. In order to give a stimulus to the extension of medical relief to rural areas His Excellency the Governor in Council agreed, in reply to a resolution moved by the Hon'ble Mr. A. S. Krishna Rao at the meeting of the Legislative Council held on the 14th March 1919, to bear as a temporary measure for a limited period of three years, from Provincial funds three-fourths of the cost involved in the duplication of the medical staff in existing hospitals or dispensaries. In accordance with this undertaking the Government will make grants to local bodies to the extent of three-fourths of the cost of carrying out the scheme in institutions selected for the purpose. They trust that district boards will now more largely avail themselves of the advantage of this offer and that a thorough trial will be given to the scheme.

The Municipal Council are of opinion that the quota of the pay involved in duplicating the medical staff is a legitimate charge on the District Funds. They are already bearing 1/3rd of the cost of the existing staff. Owing to straitened circumstances of the Municipal finances they are not able to bear any further charges.

Read:- Deputy Commissioner's L. F. M. C. 37/19-20 dated 7. 9. 19.

Forwarding for opinion of the Municipal Council Chief Sanitary's letter in the matter of duplicating the Staff of Hospitals and Dispensaries.

Resolved:- Unanimously that it is unnecessary to duplicate the medical Staff of the Srinivasapur L. F. Dispensary that the Municipal Council is unable to bear one-fourth the Cost of any Such duplication, and that the Medical requirments of the Taluk will be amply met by the early establishment of the proposed Dispensary at Yeldur, the latter place being included

VII. [illegible] Government [illegible] 5276-83 (1) dated 16 June September 1919 [illegible] 37/26.9.1919 [illegible] :—

The subject was discussed in the meeting. The members were of opinion that duplication of the staff in the existing Hospitals is to be set with many difficulties, and disadvantages, Chief among them being (i) the constant changes and consequent irresponsibility of the Sub Assistant Surgeons who may be attending on importa cases.

(ii) The probable friction between the two Sub Assistant Surgeons and the other dis-advantages too numerous to mention.

The members were of opinion that instead of duplicating the staff, another dispensary may with advantage be opened in each Taluk. In the event of Government approving of this proposal, the dispensary will have then to be located outside the Municipality in which case the Taluk Board concerned and the village Panchayet within the limits of which the dispensary may be located may be asked to contribute the fourth.

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No.G.21119-San, dated 12th March 1920, calling for proposals for duplicating the medical staff in the dispensaries in certain parts of the State, I have the honor to state as follows.

Under G. O. No. 305-8 dated 14-7-1917. an extra Sub Assistant Surgeon was sanctioned to each of the four Semi-itinerant dispensaries in the Shimoga District and the hands accordingly posted to the dispensaries at Humchadakatte, Ananthapur, Magarvalli and Mandagadde had to be withdrawn during the prevalence of Influenza in 1918 and posted elsewhere. For want of qualified hands in the department the extra sub Assistant Surgeons taken away from these dispensaries could not be replaced. For the same reason the extra Sub Assistant Surgeons sanctioned for the Itinerant Dispensaries of the Hassan District (in G.O.No.G.2871-3, dated 8-8-1918) could not be provided. Besides the above travelling dispensaries for which extra hands are already sanctioned, there are certain important places noted in the margin where the Dispensaries are placed in charge of Assistant Surgeons. It would greatly enhance the usefulness of the institutions if a

Six Sub Assistant Surgeons died of Influenza.

Channapatna, Chickbullapur, Seringapatam, Saklaspur, Koppa, Mudigere, Sagar, Thirthahalli, Davangere, Benkipur, Tarikere.

Sub Assistant Surgeon were attached to each to help the Assistant Surgeons in undertaking any operations and to be in charg of the dispensaries during the absence of the Assistant Surgeons on Court or other duty, or owing to temporary illness.

Again there are certain important places where the Sub Assistant Surgeons in charge are required to regularly pay weekly or bi-weekly visits to outlying villages, necessitating their absence from the head quarter dispensary for a day or so. The posting of an extra Sub Assistant Surgeon to these institutions would be more advantageous, as also to certain selected places in the malnad and in maidan tracts which are particularly unhealthy, so that medical aid may be taken to the very doors of the poor villagers. These places are Closepet and Kankanhalli in the Bangalore District, Tiptur in the Tumkur District, Hunsur and Yedatoray in the Mysore District, Alur, Yeslurpet and Hanbal in the Hassan District, Kumsi and Chennagiri in the Shimoga District and Hiriyur in the Chitaldrug District.

As regards the financial implication, the cost on account of the two Itinerant Dispensaries and the five semi-itinerant dispensaries in the Hassan and Shimoga Districts is borne by the Malnad Improvement Funds. The extra cost in each case will be, pay of the Sub Assistant Surgeon, Rs.57½ (being the average pay), his charge allowance at Rs.10, 15 or 20 according to the nature of the locality, and travelling allowance which may be estimated at Rs.30 in each case. The monthly additional cost for three extra hands (Channapatna, Closepet, Kankanhalli) for the Bangalore District will be Rs.(57½ + 10 + 30) x 3 or Rs. 292½

For one at Chickbullapur in Kolar District Rs. 97½

For one at Tiptur in Tumkur District Rs. 97½

For three (at Hunsur, Yedatoray and Seringapatam in Mysore District) Rs. 307½

For four at Sakleapur, Alur, Yeslurpet and Hanbal in the Hassan District Rs. 425

For three (Koppa, Mudigere & Tarikere) in the Kadur District Rs. 317½

(174)

For five (at Sagar, Thirthahalli, Benkipur, Kimsi, Chennagiri) in Shimoga District, Rs. 517½

For two (at Davangere and Hiriyur) in the Chitaldrug District Rs. 200

The apportionment of the extra cost will have to be made on the same principle as was adopted under the recommendations of the Medical Relief Committee, viz., half to the State Funds anf half to the Local Funds.

I may, however, bring to the notice of Government in this connection, that although the State and the District Boards may find the funds for this purpose, it will be impossible for this department to procure the 29 Sub Assistant Surgeons all at once or even within the next two years

I have the honor to be,

Sir,

With reference to your letter No. G. 387 Medl. dated the 7th instant, I have the honour to state that the subject relating to the duplication of the medical staff in the dispensaries, was placed before the District Board on the 20th instant and their resolution in the matter is herewith submitted.

The Board are of opinion that the introduction of a new scheme regarding the duplication of medical staff of Hospitals and Dispensaries as contemplated in the scheme propose by the Government of Madras, is unnecessary. It is considered sufficient if the system of opening Itinerant Dispensaries is extended.

Sir,

In reply to your No:G.4036/Med. dated 20-8-20, I have the honor to inform you that the Department is now short of Sub Assistant Surgeons and it is not likely that applications from qualified hands from outside will be received so long as the scale of pay here remains less than that obtaining in British India. A trial will, however, be made by advertising in the local, Madras and Bombay newspapers and the result reported to Government by the middle of October 20.

Sir,

In continuation of this office letter no G.C. 4373, dated 25th August 1920, anent introducing the scheme of duplicating the Medical Staff, I have the honour to state that, in spite of advertisements published in the Local, Madras and Bombay newspapers only the marginally noted 3 individuals who have applied for appointments, have been entertained and as there are still 14 permanent and 7 temporary vacancies to be filled to make up the full number of hands required for the present sanctioned charges, it is not possible to try the scheme for at least a year or two to come.

When the present second year batch passes out of our Medical School, a sufficient number of qualified hands may be expected to be available.
